A MESSAGE FROM THE PRINCIPAL

Dear Roadrunner Families,

What a wonderful October we had. It has been so busy around Maryland. We were very happy to see all the parents who came to conferences. Your communication with the teachers is paramount in educating your children.

Our P.E. teachers welcomed the Arizona Coyotes Youth Development League to work with all students during P.E. classes on hockey skills and teamwork. They also generously donated a large amount of new hockey equipment. We appreciate the time the Coyotes took to come to Maryland. The following week was our SPIRIT WEEK to celebrate BE A HERO which ended with a beautiful Veterans Day celebration organized by Mr. Shinsky and our BE A HERO celebration organized by Ms. Villa and Ms. Souza. Paying tribute to our veterans and then showing how we can be heroes everyday was a great way to spend the day.

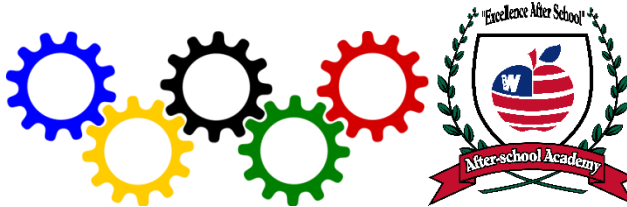

The Lions Club also came to Maryland and shared many wonderful books with our pre-school through 3rd graders. Not only were the students able to choose a book but they received a stuffed reading buddy to practice reading aloud at home.

Quarter 2 progress reports are going home the Wednesday before Thanksgiving Break. Please let the teachers know if you have any questions regarding the reports.

From all the staff at Maryland, we hope you have an enjoyable and well deserved long weekend.

Sincerely,
Nick Gupton

POWERED BY STEAM!

After School Academy (ASA)

Maryland's 21st Century Before and After School Academy classes participated in STEAM Week November 6th - 9th. The students participated in many educational, hands-on learning activities such as: bridge building, chain reaction problem solving, a team cup challenge, glider and geometric shape designing, coding, COOL math games, fitness courses, STEAM slime, and mathematical money counting to purchase toppings for the ultimate STEAM sundae. We all had a BLAST! Before and after school classes will continue to work hard during November and December, and then they will celebrate with a second STEAM Week December 11th - 15th. The last day for before and after school classes will be December 14th (PM) and December 15th (AM). Thank you to all of the families that allowed their children to participate in our program this semester. New ASA classes will begin early in February. For questions about our ASA classes or to report an absence for an after school class, please contact Wendy Wittenwyler at 602-347-2334 or wendy.wittenwyler@wesdschools.org.

Peace, Love & Reading!

On October 30, the Kindergarten through 3rd grade students that read 18 books (3 Reading Logs) and turned in their completed Peace, Love & Reading logs received an extra recess as their reward. Students and teachers had a great time listening to music while playing together on the playground. Check out the Maryland School Facebook page to see photos of the event. Please, encourage your child to keep reading and recording the books they have read on their Peace, Love & Reading log. Your child may record books that they read to you as well as books that you read to them on the Reading log. If your child is reading a chapter book, he or she can record each chapter on the Reading log.

Peace, Love & Reading Log Due Dates for November

- November 20th 30 Books read
- November 30th 36 Books read

Lending Library

Great News! Maryland School has a lending library for Kindergarten through 3rd grade students. The lending library located outside of the Jungle (room 46C). Students who do not have books at home can get books from the lending library to read at home to help them accomplish their Peace, Love & Reading Goals. Just have your student ask his/her teacher for a Jungle Ticket to get books from the lending library. Students may keep the books they get from the lending library or they can return them to exchange for different books.

We are also accepting donations of gently used children's books for the Lending Library. Thank you for supporting reading at Maryland School!
